On 05/26/2019 16:00 the defendant was arrested for the offense(s) of:

6	05/25/2019	TRANSACTION OF DANGEROUS WEAPON - CLASS II RESTRICTED PERSON	76-10-503(8)(B)(VI)	UT	MA	No

I believe there is probable cause to charge the defendant with these charges because:

While attempting to locate Alexander Whipple in regards to a missing child from Logan I contacted a male matching his physical and clothing description along the roadside near 7600 S 2400 W. I approached the individual and asked several times for his identifying information. The individual refused to identify himself multiple times. I informed the individual that he was not free to go and he attempted to leave the contact anyways but was stopped when I circled in front of him. After another deputy arrived the male was informed he was under arrest and instructed to place his hands behind his head. The male still refused to do so and a deputy attached to each arm. The male attempted to pull his arms away and walked backwards in an attempt to get away from deputies. The male was continued to be combative and was assisted to the ground and handcuffed. The male had a metal baseball bat tucked in his back pocket and hidden in his jacket along his back. In his back pocket a wallet was found with picture ID identifying him as Alexander Whipple. Alex began telling us that he had paraphernalia and drugs on him. A search incident to arrest discovered a pipe consistent with drug use in his right coat pocket and in a left pocket a silver container with thick residue that had an odor that due to my training and experience was consistent with marijuana. Also located on his left side was an unopened can of beer. Dispatch confirmed a no alcohol clause as part of probation. Alexander was taken into custody for warrants and transported to Logan City Police Department for questioning in another matter.

I believe these to be additional condition(s) for continued detention:

The person would constitute a substantial danger to any other person or to the community, or is likely to flee the jurisdiction of the court

Alexander had a no bail warrant for absconding from Adult Probation and Parole. Alexander admitted to daily drug use and was being sought in relation to the disappearance of a 5 year old female from the Logan area.
